

Beeton's Bowling Ballad by Lorne O'Neill
(To be sung to the tune of Sweet Betsy From Pike)

We sing of lawn bowling. It's sure lots of fun
For experienced bowlers and those just begun.
We bowl from one end, then we turn and bowl back
And try to get close to the ball we call "Jack"
Too-rah-lee, Too-rah-lay
And try to get close to the ball we call "Jack"

We've got irrigation. We water a lot.
In summers that turn out so dry and so hot.
The grass is so nice and the bowlers so keen.
We just love it here on our great bowling green.
Too-rah-lee, Too-rah-lay
We just love it here on our great bowling green.

So come now to Beeton and make some new friends
As we gather together to bowl a few ends.
We like to play two games before we have eaten,
But if we win both, we will still say, "We're Beeton!"
Too-rah-lee, Too-rah-lay
But if we win both, we will still say, "We're Beeton!"
